

Look C Residential video intercom

Modern slimline 7" colour LCD monitor in high gloss black colour

Multiple door station options

Introducing the Look C black series 7" LCD intercom. An aesthetically pleasing intercom series which will compliment any modern home.

The Look C Black series doesn't only look good, but offers features never seen before in residential intercoms such as:

- 10 second Audio/Video memory
- SD card slot
- Picture frame functionality
- 15 different ring tones
- Up to 4 internal monitors and 2 door stations
- Intercommunication between room stations

Your home shouldn't settle for just any intercom. Make it a Look C Black series
